 - Students will make night-sky observations and look at the relationship between the Earth, the Moon, and the Sun

Math:

- Continuation of Place Value chapter
 - Decimals to the thousandths place
 - Place value with decimals
 - Comparing decimals

Upcoming Events

- No school Friday, Sept. 3 and Monday, Sept. 6.

Notes from the Teacher

- Scholastic Book Orders are due Sept. 27.
- If a student forgets homework, resources can be found on Clever.com under that subject.
- We have been doing great with signing white folders and agendas. Keep up the great work!!
- Mrs. Catanese's favorite movie is *Breakfast at Tiffany's*. Secretly share this with her on Tuesday for an extra hug.
